

General Committee of Democratic Whigs of New York. A special meeting of this committee will be held on Monday evening, September 12th, 1842, at 8 o'clock, at the residence of Mr. J. B. Smith, Chairman.

THE WHIG YOUNG MEN'S STATE CONVENTION meets at Auburn on Wednesday the 21st inst. (just two weeks after the nominations.) We hope to meet there a glorious gathering of the Whig Whigs of New-York.

Whig Senatorial Conventions. Third District—At the Mansion House, Albany, Sept. 22d. Fourth District—At Sandy Hill, Washington Co., Sept. 22d. Eighth District—At Batavia, Genesee County, Sept. 23d.

THE TRIAL OF COM. BALLARD.—Apparently a trifling error, but one having an important bearing on the case, crept into our report of the proceedings of the Court Martial on Friday. We made the Judge Advocate say "that the official acts of Mr. Secretary Paulding could not be proven by the files of the Department." The report should have been that "the only proof of the official acts of Mr. Secretary Paulding were the files of his Department." The committee mistook the word only for not and the report should read thus: "that the official acts of the Department could only be proven by the files of the Department."

THE WHIGS OF AUBURN give notice that their 'latch-string hangs outside the door' for the meeting of the WHIG YOUNG MEN'S STATE CONVENTION. They held a rousing meeting on the evening of the 8th, confirmed the nominations of CLAY, BRADISH and FURMAN, and appointed a Committee of Thirteen to take care that the hospitalities of the village are extended to all Whigs who may attend the Convention. The most liberal preparations will be made. Hon. CHRISTOPHER MORGAN and Gen. LEVI HUBBELL of Ithaca eloquently addressed the meeting, and found that the spirit of 1840 was still alive in the breasts of the victors in that memorable contest.

Unconquered Vermont! The victory is won in the Green Mountain State! Col. PAINE is elected Governor by at least 4,000—we hope 5,000—majority over his Loco-Foco opponent, and about 2,000 over Abolition and all. Last year he had but 2,000 over Smilie, and was 1,000 under the total vote opposed to him. Now the whole Whig State Ticket is elected by the People, including W. R. Ranney, Lieutenant Governor, who, it was feared, would be defeated by E. D. Barber, running on both the Loco-Foco and Abolition tickets. But it is all right. The Senate, too, which we feared was in danger, is ascertained to be decidedly Whig. Franklin County has elected three Whigs; Chittenden one; both claimed against us on Saturday. The House will have at least 30 Whig majority—we hope 40; securing the election of a Whig U. S. Senator in place of Gov. Crafts, for three years ensuing. The most desperate exertions were made by our opponents—greater than in any former year—but the only effect was to increase the vote 5,000 from last year, and of course to roll up the Whig majority. The impudent attempt of Loco-Focism to impose upon Vermont the idea that its party is that of Protection while the Whigs are hostile to it! has been scouted as it deserved. All hail the incorruptible yeomanry of Vermont!

The following is a summary of the returns which have reached us from different sources. We thank our friends for their kindness.
